We are a missionary and charitable organisation that is funded with donations only.

To become a private member of our organisation we ask you to **donate £3,525 to our mission.**

Your donation is what grants you access to our *Private Society*, *Private Court*, and *Grace Sovereignty Academy*.

The donation is structured into **affordable payments of £125.00 per month (£4 per day)**. Where you can donate as you go.

There are 21 X £125 donations followed by a final donation of £900.

## OUR PRIVATE SOCIETY

---

You will become a sovereign member of our *Grace Private Society* and join a private community of Living Men and Woman who cooperate in mutual benefit and support to create lives of peace and prosperity.

Our mission is to create and develop a new Private Domain and economy with services and systems that serves our best interests.

## OUR PRIVATE COURT

You will gain access to our *Grace Private Court*.

Your Life and Estate will gain full protection and support from our own Private Court with its own Sovereign Law Form; venue and jurisdiction; that was created to honour the sovereign freedoms, values, and rights of our private members.

Your transition from Citizenship to Sovereignty will be recognised and recorded as a Court Record and adjudicated fact of Law.

You can gain access to our private justice service to assist you in all lawful and legal matters that concerns your Life and Estate.

# OUR SOVEREIGNTY ACADEMY

You will join our *Grace Sovereignty Academy* to implement the teachings of our mastercourse and mentorship program that guides and support you with the specialised knowledge, skills, and lawful procedures to transition from Citizenship to Sovereignty.

The mastercourse is delivered to you as 50 modules of tried and tested material and content that has been thoroughly researched, implemented, developed, and perfected to garner proven results.

The mentorship program is 90 weeks of live and interactive video calls with Russell Paul Arthur, who will guide and support you through the entire mastercourse from beginning to completion. Where you complete the academy in a stage by stage process of layered learning and measurable results - a metric for progress and success.

The academy will provide you with community support. You will achieve sovereignty with a small group of peers. You will gain access to an online forum to post, share, and learn from the progress and results with the others. Where you can form networks and alliances.
