WRITTEN AND APPROVED BY:

Russell Paul Arthur

Overseer for GRACE SOCIETY.

Grace Society does formerly announce our Goodwill and Intent to manifest the project named GRACE SUMMIT.

GRACE SUMMIT is an International event that is established to awaken the Men, Women and Youngsters to the truths about this World. Where we provide knowledge and wisdom about Culture, Commerce, Religion, Science, Laws, Nature, and all other disciplines of the Logos (the word), such as Astrology, Psychology, Physiology, Ecology, etc.

GRACE SUMMIT is a showcasing event of the world's best minds, most renowned experts, and successful practitioners, that will enlighten and educate people with the strategies and skills needed to achieve the life-enhancing results.

Here are some of the key aims, functions, and benefits of the Grace Summit.

Teaching about True Nature

We shall guide people to activate the divine attributes of their unique Spiritual Blueprint and Life Purpose. Teaching people how to develop their innate acumen, talents, strengths, and skills that fully unleash the indomitable willpower of their True Nature. Empowering people to create magnificent Life's of full expression, joyfulness, and vitality.

Teaching about Health

We are teaching about the true functions of the Human Avatar. Healing and cleansing and curative protocols that detox the body from illness. Psychotherapy techniques that resolve traumas and addictions. Where self-care with optimal nutrition and lifestyle balance, are the key methods that support great health and welfare.

Teaching about Wealth

We are guiding people to unleash their full creative power in which to build a multi-generational legacy of wealth. How to create estate structures, multiply income, preserve capital, protect assets, compound wealth and secure inheritance. Every skill that is required to create financial abundance and security.

Teaching about Sovereignty

Sovereignty is to claim and assert full standing and status in this world as a self-governing and self-directing being. To operate in this world free from the regulations and restrictions of governments, or any other authority that seeks to diminish freedom of expression. We will teach people how to gain protection within a private jurisdiction. How to operate within this world but not of this world.

The Grace Society does give both the Official Seal and Sanction to initiate the project GRACE SUMMIT. Grace Summit shall teach people how to make transformative breakthroughs in the areas of self-development and life optimisation. Guiding people with proven solutions and ongoing support that enables a Life of peace and prosperity.

The Grace Summit shall also be a planetary movement of likeminded beings that join forces to create a New Earth Paradigm on the principles of Earth care, People care, and Wildlife care. Where together we do the greatest good for the greater each and the greater whole.

To all of Noble Beings that have examined your own conscience and the innermost depths of your soul – if you feel a Heartfelt calling that resonates with our project we extend to you an open invitation to join the Grace Society and become part of a world-class solution.

This project is our Divine Mission and therefore it is done.

**With the Official Seal of Grace Society we do
Sanction the Grace Summit Project into Life.**
